Songpremiere "Social Media Boy" von Dirty Sound Magnet

16/11/18 von Michael Böhl

Band: **Dirty Sound Magnet**
Song: **Social Media Boy**
Genre: Alternative Rock / Psychedelic Rock
VÖ: 16. November 2018
Label: Eigenveröffentlichung

Von der Single: **Social Media Boy**
VÖ: 16. November 2018
Webseite: dirtysoundmagnet.com

Eigentlich passt die digitale Welt nicht wirklich zu dem kernig rockenden Trio **Dirty Sound Magnet**. Denn die Band aus der Westschweiz steht für ehrliche, dreckige und immer leicht abgefahrene Songs. Gitarren und Bass suhlen sich in den überdrehten Frequenzen, das Schlagzeug prügelt sich durch die dunklen Stunden. Mit der neuen Single "Social Media Boy" wagen sich die drei Männer nun aber in die falsche, oberflächliche und oft auch lächerliche Welt der sozialen Medien.

"You have been browsing since the pizza boy has brought your food", singt Stavros Dzodzios, doch dies spielt keine Rolle. Denn das heutige Leben (oder zumindest die scheinbare Fassade davon) lebt ja nur im selbstbestimmten Schimmer, nicht der direkten und wahrhaftigen Art. Schön also, lassen **Dirty Sound Magnet** ihren Protagonisten nach drei Minuten in der Wolke verschwinden. Irgendwo zwischen MGMT und King Gizzard And The Lizard Wizard (mit einem Schluss, den auch Gorillaz vorführen würden) landet das Lied und wird im Gegensatz zu den

flüchtigen Aufmerksamkeitsposts noch lang ein unseren Köpfen und Plattensammlungen bleiben.

Gründe zum Posten gibt es aber genügend, denn 2019 soll das nächste Album von **Dirty Sound Magnet** erscheinen. Das muss doch gleich an alle Wände geschrieben werden!

Stavros Dzodzios – Gitarre und Gesang
Marco Mottolini – Bass
Maxime Cosandey – Schlagzeug

Dirty Sound Magnet – Social Media Boy

BY SHAN SIVA

NOVEMBER 24, 2018

NEWS

Rock music is dead, right? Wait a minute it's mutating...Social Media Boy is the band's catchiest song to date. The lyrics and the music video mock the addiction of today's youth to social media, while the production is otherworldly.

The song revolves around a mean bass line and upbeat drums that showcase arrogant vocals and some unreal guitars. All of a sudden, the chorus kicks in with a memorable vocal riff that swirls around an ethereal Balafon and a psychedelic Theremin to create an unfathomable atmosphere. For fans of Tame Impala, Black Sabbath, Blur, Led Zeppelin, MGMT, Frank Zappa, King Gizzard and the Lizard Wizard.

Dirty Sound Magnet – Social Media Boy

DIRTY SOUND MAGNET is a Swiss band which has a hold on our psyche. With prog-rock / 70's hip aggression with lubricated bass lines and driving drums, the lyrics of 'Social Media Boy' takes you back to what you've been wondering about for a long time. YOU ARE THAT 'BOY', and you ain't totally not liking it. After all, when a band like DSM talks about your shortcomings and coming of age ceremonies, it's not such a bad thing. Also, you're rocking out on this single, and that makes it even better. DSM will forgive you. No worries.

Dirty Sound Magnet's nieuwe single is even verslavend als social media

★ Dirty Sound Magnet

Vandaag verschijnt de nieuwste single van het mystic-rock trio Dirty Sound Magnet, *Social Media Boy*. Na de release van het album *Western Lies* (2017), dat lovende kritieken ontving van zowel pers als publiek, dook het trio opnieuw de studio in. De composities, sound en de sfeer van de band vallen niet in een hokje te plaatsen. De muzikanten omschrijven het zelf als 'mystic rock'. Voor liefhebbers van onder andere King Gizzard & The Lizard Wizard en Oh Sees.

Afgelopen maand sloot het Zwitserse trio hun uitgebreide Europese clubtour van maar liefst 35 shows af. Van aanstekelijke, energieke rocknummers tot sjamanistische psychedelica, een Dirty Sound

Magnet-show overweldigt iedere muzikliefhebber. Het oog ziet drie muzikanten, terwijl het oor een heel orkest hoort. Het trio blaast je weg met hun unieke en veelzijdige composities, gecombineerd met de energieke en visueel sterke show.

In april 2017 won Dirty Sound Magnet een award voor het nummer *Homo Economicus* in de categorie beste Zwitserse rocksong 2017, waarna airplay in diverse landen volgde. Sindsdien is de band op een eindeloze tournee langs venues en festivals door heel Europa.

Dirty Sound Magnet over hun nieuwe single: "*Social Media Boy* gaat over een jonge man die geobsedeerd is door social media. De tekst beschrijft zijn dagelijkse activiteiten, hij bestelt zijn eten en zijn kleding online en droomt van bekend zijn via social media. Hij verwacht zijn saai en eenzame leven met zijn levendige virtuele realiteit. In meer algemene termen gaat dit nummer ook over jou en mij. We zijn allemaal op een of andere manier verslaafd aan social media."

Vanaf vandaag is *Social Media Boy* beschikbaar op alle streaming- en downloadservices. De bijbehorende video is te bekijken op YouTube.

Momenteel werkt Dirty Sound Magnet aan een nieuw album. Nieuwe tourdata worden binnenkort aangekondigd.

DIRTY SOUND MAGNET VERÖFFENTLICHEN EINE NEUE SINGLE "SOCIAL MEDIA BOY"

Im Dezember 2017 durfte ich euch ein Album vorstellen, welches mich komplett aus den psychedelisch-farbigem Socken haute. "Western Lies" der Friburger Band **Dirty Sound Magnet** ist ein ganz grosses und einzigartiges Album. Nach ihrer strengen Europatour veröffentlicht die Band am 16.11.2018 eine neue Single inklusive Videoclip. "Social Media Boy" heisst das gute Stück und läck Bobby, auch dieser Song haut mich wieder um. Dass sich eine Band wie DSM, welche im Erscheinungsbild eher oldschool daherkommt, diesem aktuellen Thema annimmt, erscheint im ersten Moment überraschend. Doch Dirty Sound Magnet sind zwar inspiriert, aber keineswegs eine billige Kopie von 70er Jahre-Bands wie Led Zeppelin oder Black Sabbath. Vielmehr schaffen sie es erneut mit einer Kombination aus Retro-Rock und modernen Einflüssen einen Sound zu erzeugen der unverkennbar und sogar tanzbar ist. Ganz nach dem Motto "Scheiss auf den Synthesizer wenn man einen Part auch mit einem Xylophon einspielen kann". Ich liebe es und freue mich jetzt schon auf das neue Album, welches 2019 erscheinen soll!
